EXPERIENCE

Tiffany Wendel Styling

Marketing & Social Commerce Assistant

Seattle, Washington

June, 2021 – Present

- Led cross-platform content and social commerce efforts across LTK, ShopMy, and Pinterest, generating 340K+ product clicks and \$90K+ in order volume within nine months.
- Expanded Pinterest audience to 82K users, driving 102K+ impressions and 4.8K+ engagements through trend-driven, visually compelling content.
- Curated affiliate content and product assortments informed by cultural trends, audience behavior, and brand positioning to support measurable e-commerce performance.
- Coordinated creative execution for Instagram livestreams with a luxury consignment partner, managing styling, logistics, and on-brand presentation.
- Supported high-profile styling and brand projects through fittings, product sourcing, and vendor coordination, contributing to polished execution and elevated client experiences.

Kith

Customer Experience Associate

Miami Beach, Florida

June, 2023 – July 2025

- Delivered premium customer experience within a global fashion brand, developing strong insight into brand storytelling, product positioning, and consumer behavior in a high-volume retail environment.
- Built and maintained client relationships that supported repeat purchases and long-term brand loyalty.
- Partnered with sales and management teams to execute VIP requests and time-sensitive transactions with precision and discretion.
- Supported daily store operations while balancing customer service, transaction accuracy, and operational execution in a fast-paced, trend-driven setting.

Authvia

Sales Marketing and Customer Success Intern

Bellevue, Washington

May, 2022 – August, 2022

- Researched and built a database of 1,000+ qualified leads to expand the sales pipeline and support revenue growth.
- Assisted in creating and scheduling social media content to increase brand visibility and audience engagement.
- Organized and streamlined cross-functional data across sales, marketing, and operations, improving reporting accuracy and internal workflow efficiency.
